

NimbusWorks Performance Review Process Standard Operating Procedure

Version: 1.0 | Effective: 2026-01-01

1. Review Cycle and Timelines

1.1 Bi-Annual Review Schedule

Performance reviews take place twice a year: Mid-Year Review in June and End-of-Year Review in December. HR Executives manage the overall evaluation calendar.

1.2 Goal Setting (OKRs)

Objectives and Key Results (OKRs) must be established by employees and approved by their Branch/Team Manager during the first two weeks of each half-year cycle.

2. Evaluation Components

2.1 Self-Assessment

Employees must submit a self-assessment evaluation form in the HR portal at least 7 days before their scheduled review meeting.

2.2 Manager Assessment

Branch/Team Managers conduct written performance evaluations assessing core competencies, goal achievement, and adherence to company values.

3. Rating Scale and Calibration

3.1 Performance Calibration

Departmental performance ratings undergo a calibration session led by HR Executives to ensure consistent and fair scoring across all teams.

3.2 Merit and Promotion Alignment

Promotions and merit-based salary adjustments are directly tied to End-of-Year review ratings and require final sign-off from HR Executives and Branch/Team Managers.

4. Improvement Plans

4.1 Performance Improvement Plan (PIP)

Employees receiving an unsatisfactory rating are placed on a 60-day Performance Improvement Plan (PIP) co-developed by the Branch/Team Manager and HR Executive.
